

# Increasing Productivity with Robotic Surface Preparation

With our highly specialized craftspeople and cutting-edge robotics technologies, Industrial Specialists provides vertical and horizontal surface preparation and long-lasting coatings solutions.

## ENVIRONMENTALLY FRIENDLY

- › Fully contained HEPA-ready dust collection system
- › 100% recycled abrasive media
- › Significantly reduces landfill impact/costs

## SAFETY ADVANTAGES

- › Minimizes exposure to high-pressure equipment
- › Reduced fugitive emissions
- › Fewer labor hours per project

## IMPROVED PRODUCTIVITY

- › Higher production rates vs. conventional blasting
- › Schedule improvements
- › Overall lower cost
